TREK TO TOKYO

SUMMER CHALLENGE

A note from the Hampshire School Games Organisers:

It's week 5 of the Trek to Tokyo summer challenge and we're almost there! We hope you enjoy another week of keeping fit and are coming up with lots of creative ways to stay active.

This week there's a Roll the Dice Wake Up Shake Up activity to get you started in the morning and we'd love to hear your favourite facts about any of the sports or countries you've been learning about in the fact finder challenge!

Don't forget to keep totalling up your miles at the end of each week...

WHAT YOU CAN EARN MILES FOR:

- Wake Up Shake Up activity – 40 miles
- Daily Challenges – 40 miles
- Ten Minute Filler – 40 miles
- Active 30 minutes or Friday Gym or Dance activity – 60 miles
- Weekly Cultural Fact Finder or Poster or Maths Challenge – 100 miles

Completing these activities every day will help you meet the recommended daily levels of physical activity – 60 active minutes!

Don't worry if you miss a day, you can always double up activities another day, and of course the more active you are, the more miles you can earn and the quicker you will get to Tokyo.

You can earn a certificate for achieving the following milestones:

- Bronze certificate for trekking 2,000 miles
- Silver certificate for trekking 4,000 miles
- Gold certificate for trekking 6,000 miles

We would love to see what you are up to, so send us photos of you being active and of your artistic creations on social media:

WEEKLY WAKE UP SHAKE UP

Roll the Dice

40

All you need for this warm up game is yourself, any family members that are free, and a dice. If you do not have a dice then why not make your own, or use a dice on the internet.

Take it in turns to have your go, as soon as you have rolled the next person goes and so on.

Each participant will need to roll the dice twice, the first roll will determine the exercise you will be doing, and the second roll will determine the length of time you will be doing that exercise.

Keep on going for 20 minutes, How many of the exercises can you get through in that time.
